VOLUME 1

FOREWORD

In September of 1958, a star was born . . . Sandia High School swung open its doors. From a star come many rays of light; from a school year come treasured memories. Our star sent forth many beams of light that augmented in brilliancy as the year progressed. It is our attempt in this first yearbook to relive our star's birth and growth. It is our hope that it will help to remind you of the long hours you spent in study, the traditions you built, and the treasure chest of memories you gained.

DEDICATION

Spirit is the breath, the main force, the youth and vitality of life. The care and concern shown by the entire student body moved our star into orbit. It is to this enthusiastic loyalty and spirit that we pledge our first yearbook. May this book always be a reminder of our hope that you will keep this

"quenchless star, forever bright"

TIME, MONEY, EFFORT WENT INTO

One of the two new high schools to be built in Albuquerque recently was Sandia High School. Taking approximately a year to build, Sandia opened its doors in 1958 with 1800 students. Already the second largest school in the state, Sandia expects 600 more students next year. Although under great disadvantages, typical of the opening of any large school, Sandia produced many outstanding students, academically and activity-wise.

Dry, barren wasteland. This was the site picked for our new school;...

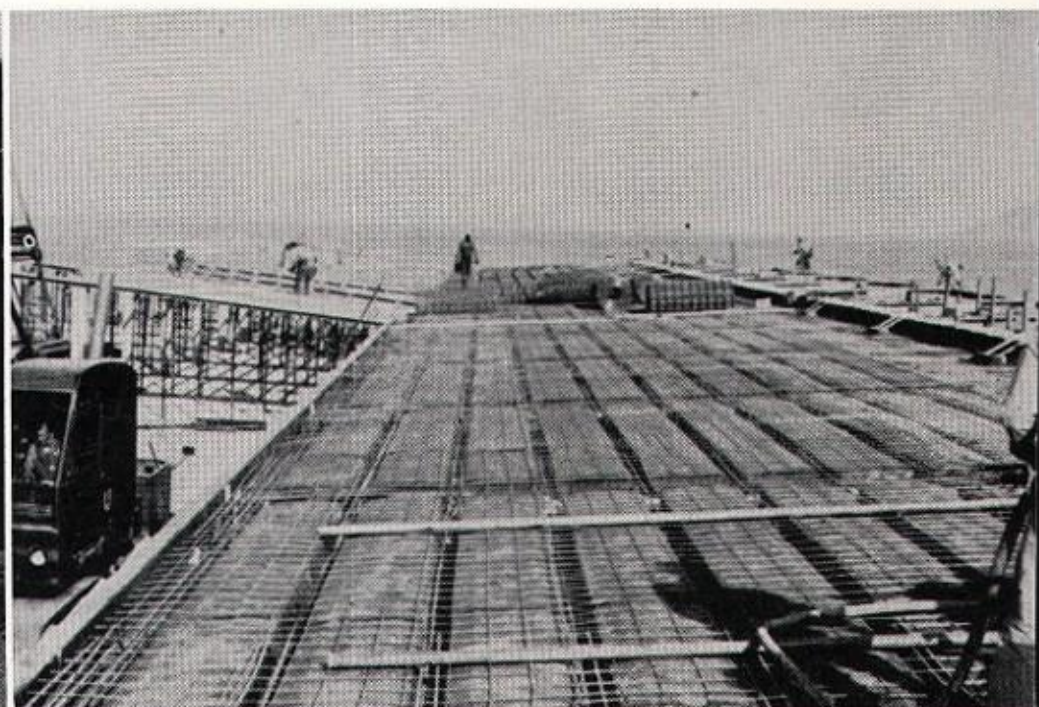

...and, slowly, it began to rise.

The windowless walls began to take on shape,...

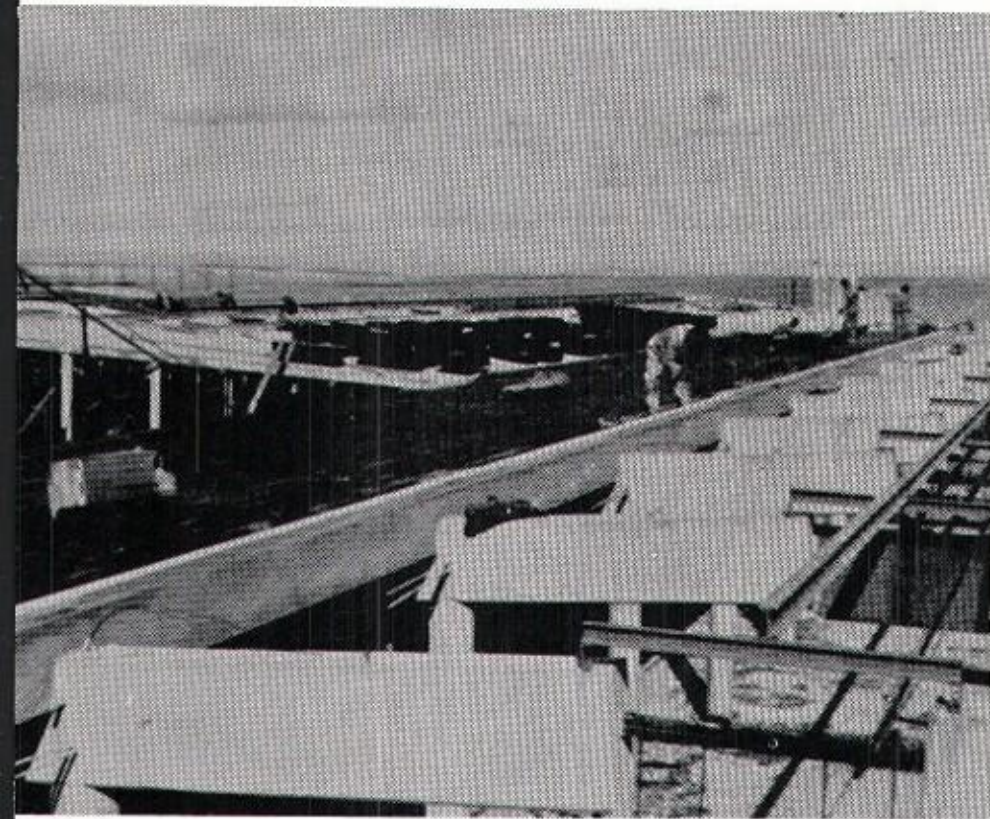

...and our long, long, corridors got their beginning.

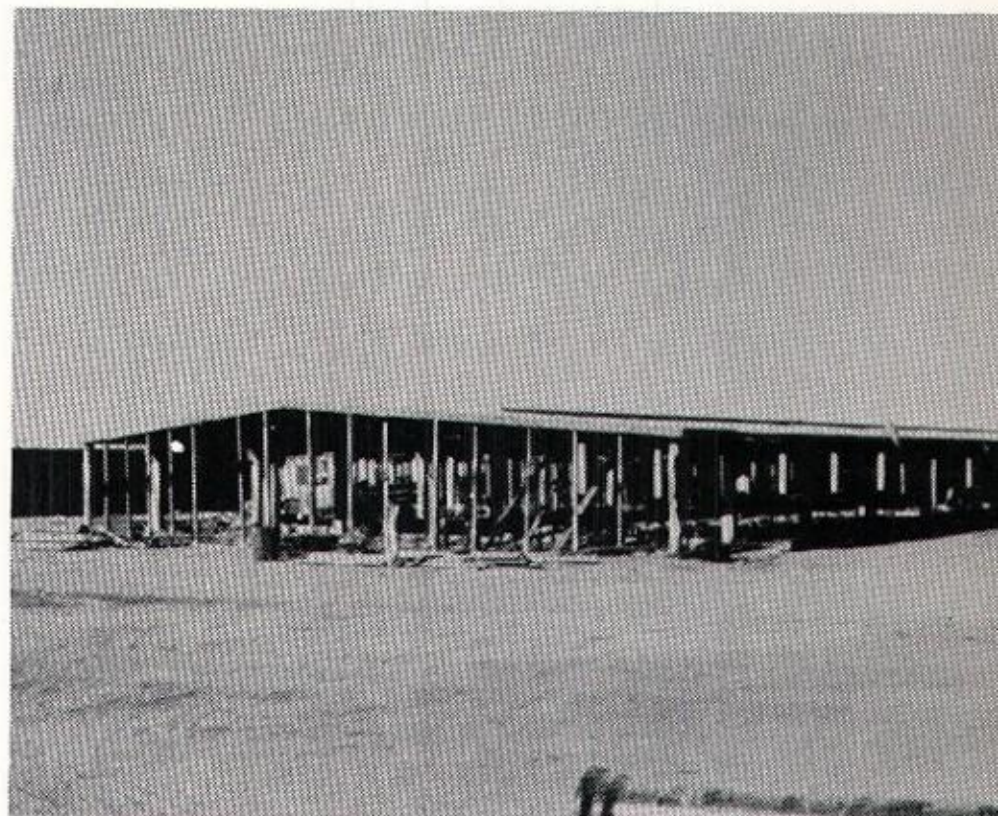

With many a problem...

THE BUILDING OF OUR SCHOOL

...on went the roof.

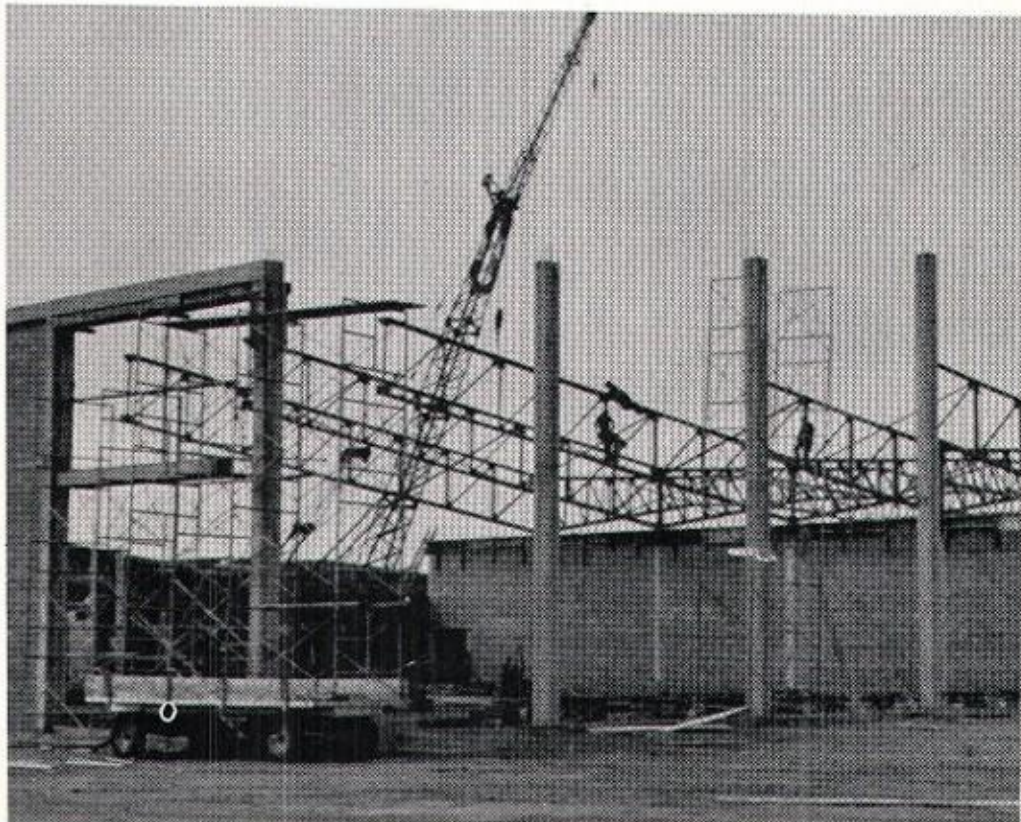

Construction was nearing completion...

...and then emerged our finished school.

And not to be forgotten, ...

...our gyms went up.

LIFE IN THE

...of course that's my mother's signature!

Any student with good grades can hope for a scholarship.

Playing an important part in the lives of the students are the counselors, attendance workers, the nurse and the librarian. Working hard at each of their separate jobs, these people help run our school.

Along with other city schools, state schools and schools across the nation, graduation requirements were raised. It's the school's aim to graduate better qualified students. Seniors completed school this year with a required minimum of 16 credits while the sophomores will find it necessary to acquire at least 20 credits.

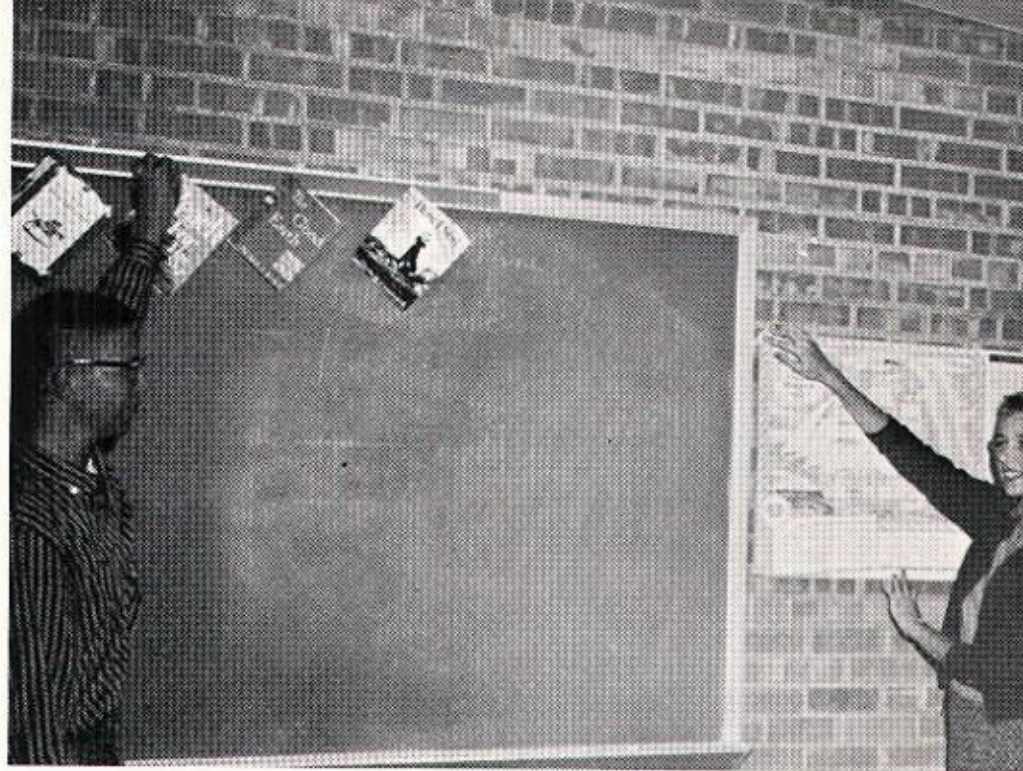

Late? I only checked it out yesterday.

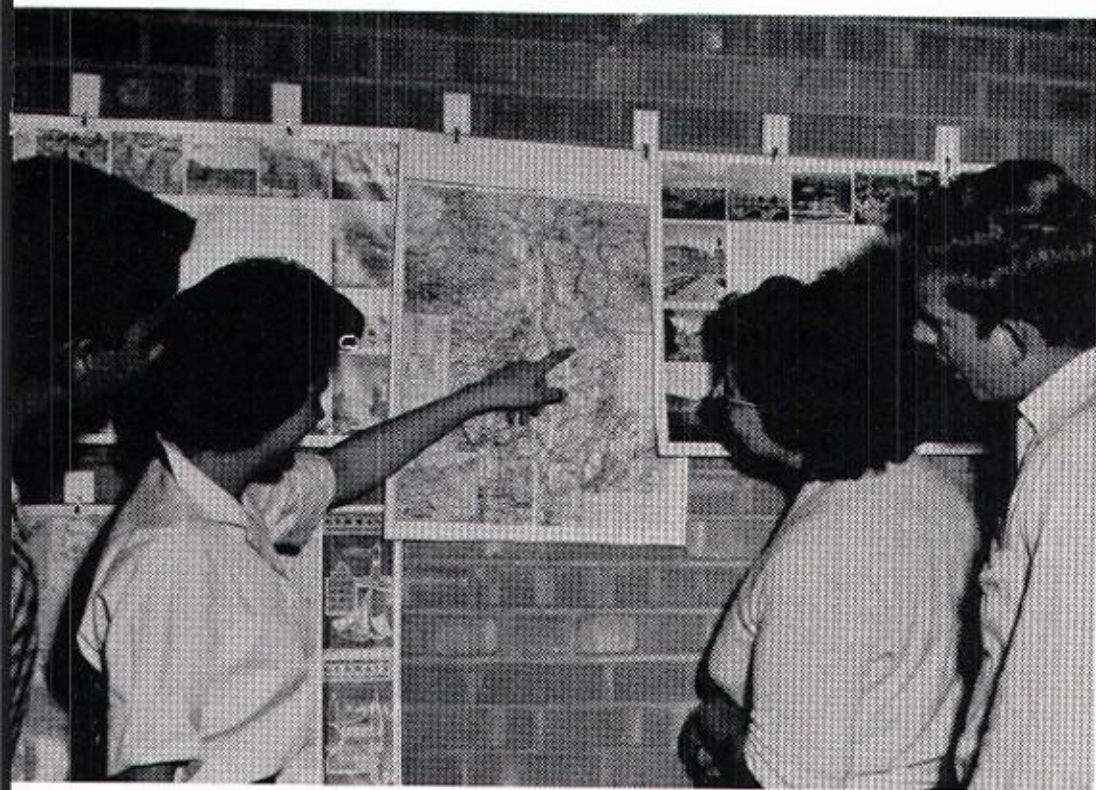

I couldn't weigh that much!

Officers: Connie Barrack, recording secretary; Terry Fair, president; Barbara Fawver, corresponding secretary; Gene Kimball, sergeant-at-arms; standing: Martha McCullough, parliamentarian; Pat Cazier, vice-president; Don Rodgers, treasurer.

Hard working? The representatives of the Sandia High Student Body Council were the hardest working students in school. Organizing and running the student government of a new school is never easy, but the Council members did more than their share in making the school year enjoyable. In the words of their sponsor, Mr. Slinker, "I have had to hold them down from trying to do too much."

Student Body Council members handled everything

from planning the Scarlet and Blue Days to buying the crepe paper and cleaning up. They went over and approved the constitutions of every club in school, including their own. In addition Council planned and promoted Matador Days and Vocation Day, sold school decals and book covers and approved every assembly, dance and sale held during the year. Council was composed of a representative from each homeroom and met daily for an hour.

STAFF COMPLETES PLANS, LAYOUTS AS

"You're going to take my picture?" ... "Wait, wait! Take me, too!" ... "This is really what the page will look like?" ... "Listen, we have to take the pictures of that group right away or I can't possibly finish this layout!" ... "Check the spelling of that word, and does she spell her name Carol or Carole?" ... "Does a deadline mean the day we ship out or the day the material must get to the publisher?" ... "I want to see the book NOW!"

These were typical remarks to be heard daily as the annual staff met in the publications room. Facing financial problems, planning picture schedules, designing pages, writing and rewriting the material was all part of getting out the first Crest.

Volunteering their services at the beginning of the year, staff members found that they worked long and late. They had the fun of working with the photographer, checking pictures, planning and designing pages. Furthermore, when the annual was shipped off in the early part of March, they had to sit patiently and wait for the completed books to return before they could see how those "ideas" had come out.

"Have you thought of trying this type of arrangement?" Miss Boughton, sponsor, goes over ideas with Barbara Fawver, editor, and Maribeth Paitzel, associate editor.

"We must be serious!" The assistant editors, Jackie Stansell, Nancy Cunningham, and Frieda Rogers, juniors training for the editorship, discuss problems of putting the book out.

Staff members: Rhonda Werner, Julie Wiesen, Barbara, Maribeth, Kathryn White, Nancy; second row: Jo Len Marty, Jackie, Frieda, Greg Cohen, Nancy Steinkraus, Jimmy Lucero.

CREST GOES TO PRESS IN MARCH

"These layouts have to be good!" The class editors Julie, Jackie and Kathryn go over plans.

"It's hard work." Betty Jarvis and Maureen Epsen check copy.

"You can't do that to the sports section!" Greg, David and Frieda enjoy their work.

"Everything, but everything, goes into the file." Jackie and Kathryn check.

Working for the annual were: Jackie, Kathryn, Nickie Dominguez, Carole Blazick, Barbara, Nancy, Helen Wilcox; second row: David Lloyd, Frieda, Beverly Richards, Maribeth, Rhonda, Gloria Thompson, Mary Sheets, Jo Len, Nancy Steinkraus, Jana Kidd; third row: Jimmy, Greg, Bill Edelman, Betty Milhollin, Charlotte Thompson, Julie, Mona Luker; not pictured: Pat Carbone.

HUSTLE, BUSTLE IS ALL PART OF

"Boy! That was a 'good' mistake!" Miss Boughton, sponsor, Roy Hall, editor, and Ted Jarvi, managing editor, look over the first edition of the paper.

"We don't go to press until we have at least 80" of advertising." That was the keynote statement every month as the Sandian, the school newspaper, came near the publishing date.

Facing the problems of developing a newspaper, hampered by the high costs of engravings and printing, a "green staff" got the monthly off to a flying start.

Collecting the news, writing and rewriting the stories, writing the headlines, dummied the stories, preparing the layout and the hurried trips to the printers were all part of putting out the paper.

While the journalism class wrestled with the stories, members of the publications class contacted advertisers, trying to raise the money to put out the paper. "Borrowing" staff members from the annual group became standard practice when help was needed.

In spite of all the handicaps the Sandian came out, even the special issues.

"What story did I get?" When the assignment sheet goes up, the writers dash up to see what they "cover" this time.

Roy, Sue Barrows and Mary Pachmayer type up stories for the paper.

Staff members plan an issue: Ted, Roy, Gloria Thompson, business manager, Jo Len Marty, advertising manager; second row: Mary Sheets, office assistant, Judy Andrea, exchange, circulation editor; not pictured: Jack McClain, photographer.

GETTING THE SANDIAN OUT

David Lloyd, Roy and Bob Adams check the sports coverage for the paper.

"Here is the copy for the ad." Jo Len and Gloria go over the paper's finances.

Journalism class members: Jim Horner, Bob Bushey, Norman Wetzal, Dave Rickerman, Roy; second row: Tom Rhodes, Terry Pippenger, Carol Hesch, Mary, Sue Newsom, Sue B. and Linda Hutchison wrote the stories.

SCALES AND FLOAT FROM

Second place in the State Fair Parade!
The students in Marching Band brought recognition to Sandia High by capturing this honor. However, the word "band" covered more than just Marching Band at SHS. There was also the Concert Band, Orchestra, Dance Band and Cadet Band—all under the direction of Mr. Ted Rush.

There are a few long-remembered experiences in everything, and Band was no exception. Members will recall memories of the 7:30 marching

drills on a sometimes-muddy or frozen field; the half-time shows done in blue jeans and white shirts because uniforms were not available; the excitement and tired feet which were a part of each parade; the long looked-forward-to Farmington trip and the fruit cakes sold to make the trip possible, and finally the months spent in preparation for one night of glory during the concert season.

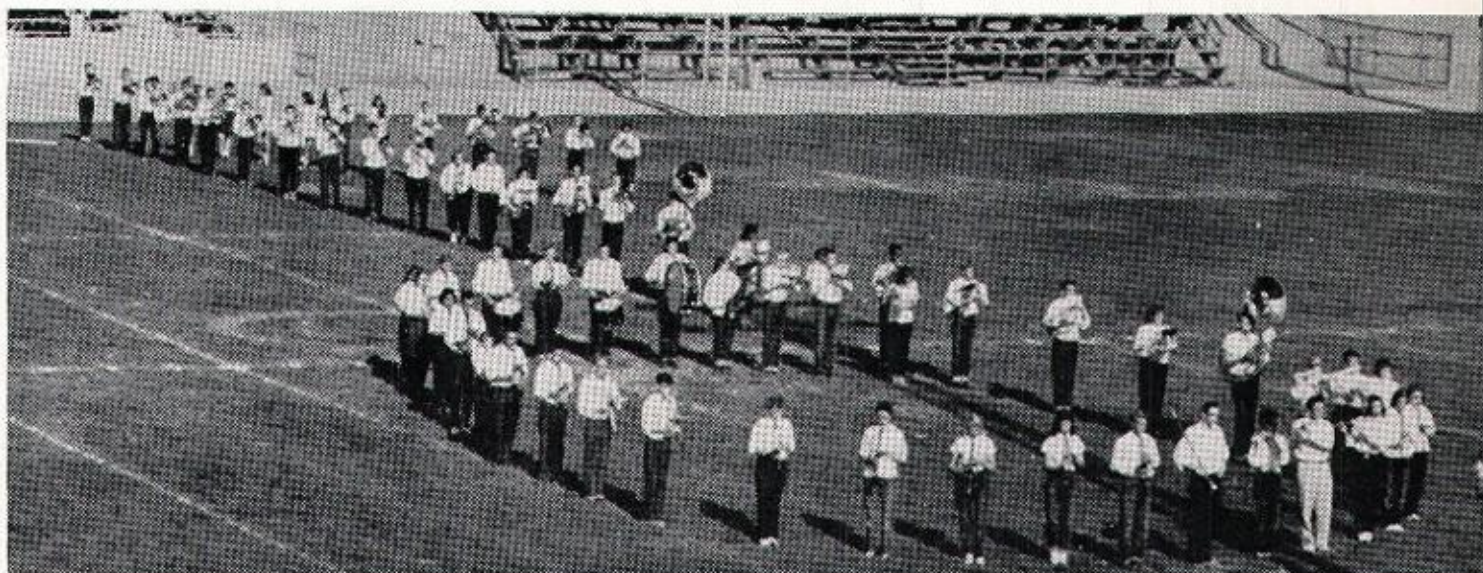

Members: Brixner, M. Selles, Webb, Jannotta, Byrnes; second row: B. Selles, Anderson, Amsden, Turner, Evans, Malnar Nilchee, Funk; third row: Stillings, Swigger, Pollycutt, Steinkraus, Gower, Myers, Patterson, Haines, Ahlsgog, Kalberg Straight, Radin; third row: Mr. Rush, Schmeltzer, Abbott, Eckard, Dodgen, Talley.

DIRECTOR OF STUDENT AFFAIRS RECIEVES HELP

The assistants in Mr. Slinker's office typed up the daily morning announcements which were read over the "inner-com" during homeroom period. They were also in charge of the Lost & Found department.

The girls also handled general office details and assisted the Director of Student Affairs whenever possible.

Mr. Slinker's office assistants: Sandy Knox, Judy Yoast, Jeanne Naus, Carol Miner, Sherry Harp, Maxine McDaniel; seated: Pat Pearson.

GIRLS VOLUNTEER TIME TO ASSIST IN OFFICE

Mrs. Johnson's office assistants: Barbara Blank, Linda Stevens, Sherri Upham, Judy Johnson.

STUDENTS OFFER ASSISTANCE TO COUNSELORS

Donating their free time has resulted in a general course in "practical business procedures" for the girls who assist the school counselors. The girls typed files and acted as receptionists. Answering telephones and getting students out of classes for conferences was all part of the many jobs.

Each high school sends four delegates: two seniors, one junior, and one sophomore.

INTER-SCHOOL COUNCIL SOLVES PROBLEMS

To accomplish this purpose, three one-act plays, *THE POT BOILER*, *HAPPY JOURNEY* and *PRIVATE EYE*, were presented Dec. 4-5. As the Crest went to press, future productions were being planned.

The assembly, with Steve Zendt, master of ceremonies, and Linda Wooten, mistress of ceremonies, started off the big two-day celebration. The afternoon of skits, talent and gifts for the royalty was highlighted by the presentation and crowning of the Court, Princesses and Queen.

STUDENTS LEARN

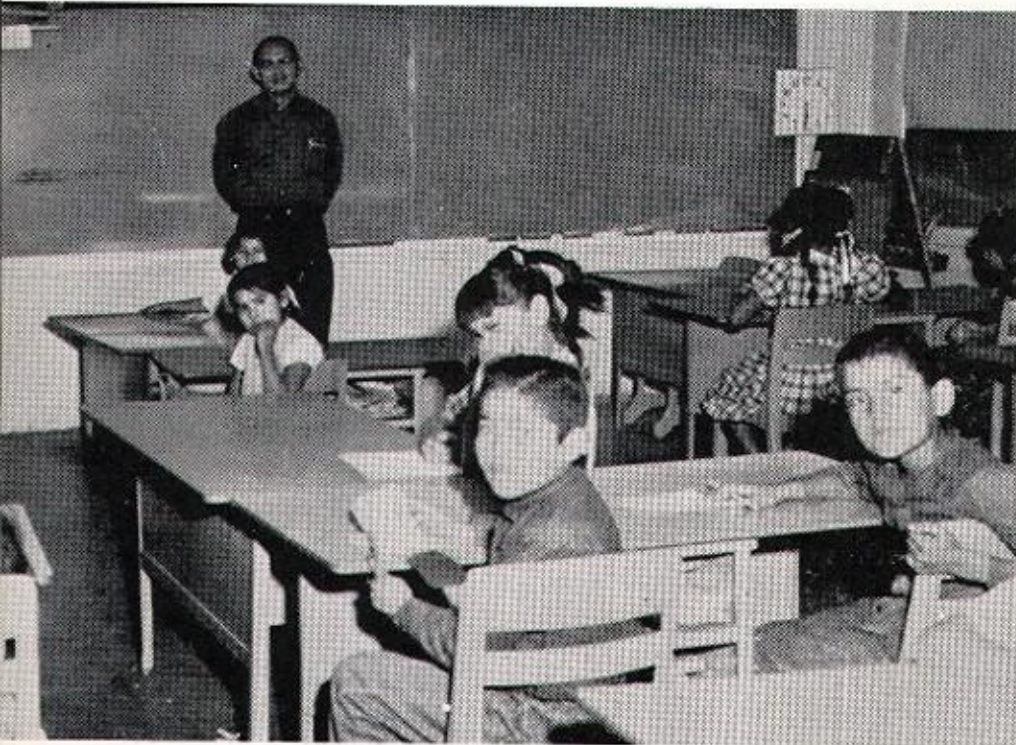

Gale and Steve talk to Maria and family.

School spirit reached an all-time high during the week preceeding the Christmas Holidays. The Student Body Council had decided to sponsor the project of supplying food and toys for a near-by Indian village, Cononcito.

Homerooms challenged one another to see which could raise the largest quantity of food and toys for the destitute village; individuals within the hoomrooms competed, school clubs competed, and the piles of food and toys mounted.

With the concentrated efforts of the entire student body, school clubs and organizations, tons of foods were obtained. The food was collected sorted and delivered by students who had taken a particular interest in the project.

TWIRP WEEK REVERSES SOCIAL

TWIRP (The Woman Is Requested to Pay) Week brought some mighty strange happenings to Sandia as the girls chased the boys for a change.

"Out of my way; he's my man!" might have been heard throughout the halls as each girl spotted the boy she wanted and "took out" after him. Highlighting the week were Dog-Patch Day, the TWIRP assembly, and the Spinster's Spree. Vern Martinez was crowned king by Scarlet and Blue Queen Pat Carbone

during the assembly. Knights Don Rodgers and Gary Easton were named by Scarlet and Blue Princesses Kay Rice and Carol Miner.

On Dog-Patch Day all girls dressed in outfits similar to those in the "Li'l Abner" comic strip by Al Capp.

The Spinster's Spree, sponsored by the Pep Club, climaxed the TWIRP Week festivities.

GIRLS' AND BOYS' STATERS GAIN EXPERIENCE IN GOVERNMENT

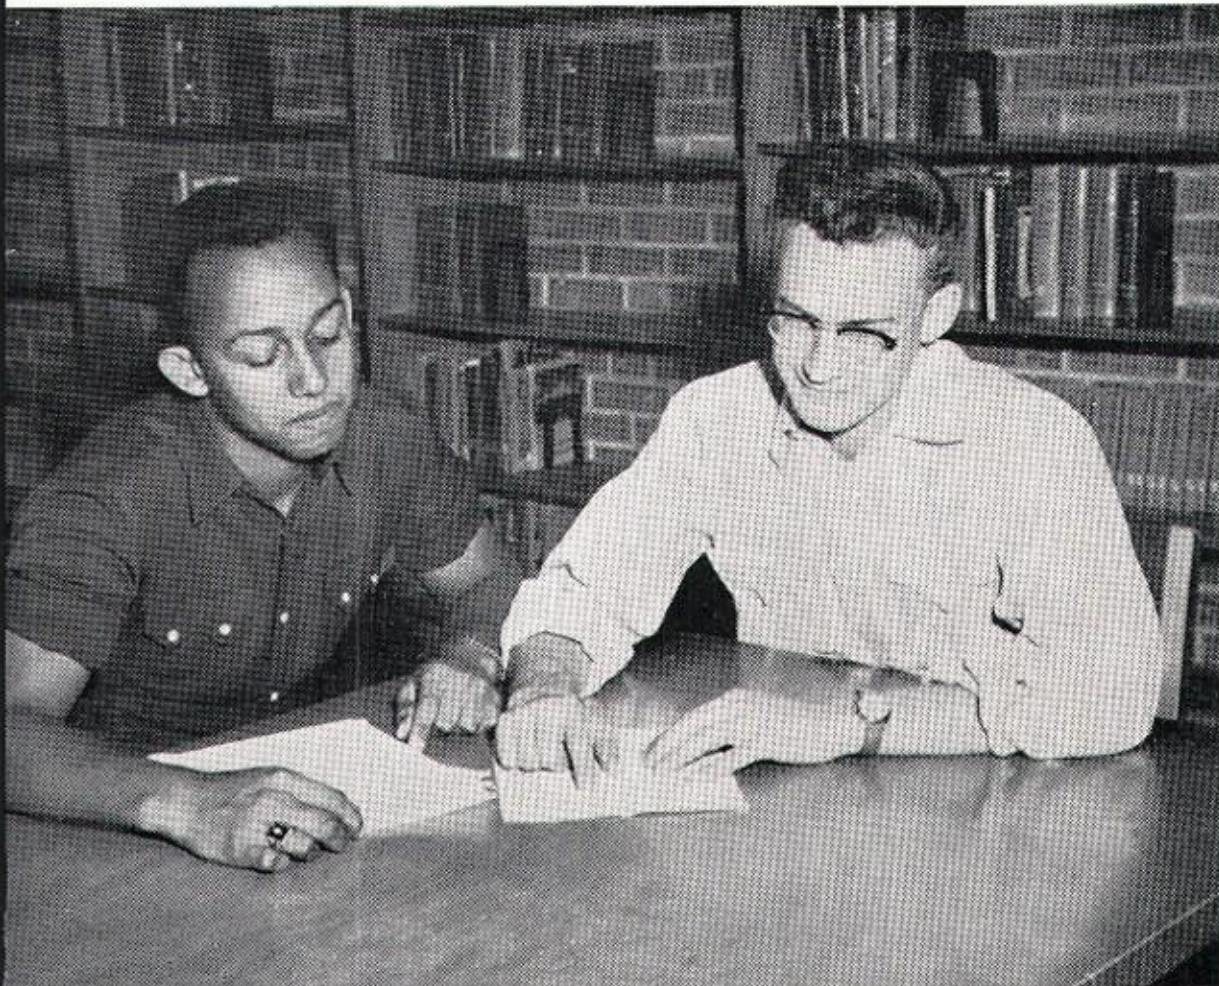

Actively participating in politics this past summer Girls and Boys Staters gained more respect and admiration for their flag, country, and democratic principles.

The Girls Staters spent June 15-22 at Hokona Hall on the University of New Mexico campus, and the Boys Staters spent June 7-14 at the New Mexico Military Institute at Roswell, New Mexico.

Electing officials for their mythical cities, countries, and states, the Girls and Boys Staters had the opportunity of using voting machines. For the Girls Staters a trip to Santa Fe to view the capitol was a highlight of their eventful week. Girls and Boys Staters unanimously agree that Girls and Boys State was an experience never to be forgotten.

Coach Don Torgerson's Sandia basketball team, first in the school's history, made an impressive '58-59 showing by placing eighth in the 12-team District 1A league, although the Matadors' overall record was a dismal one.

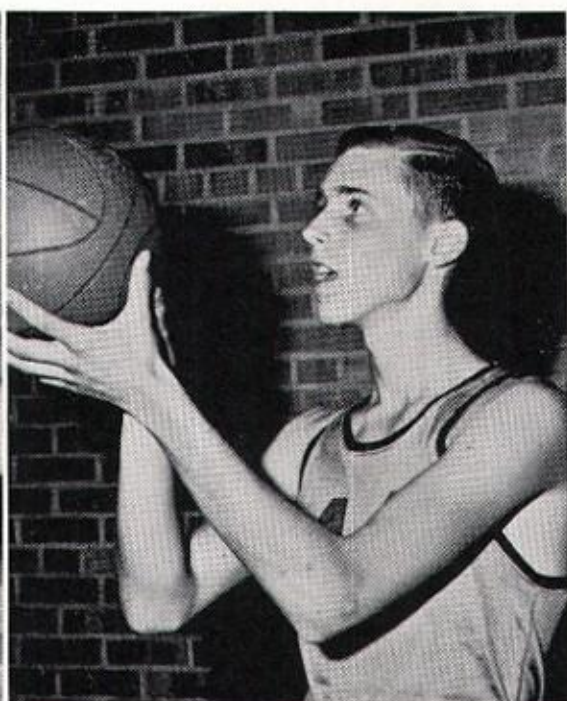

The team, laden with sophomores and juniors, wound up with a 4-6 district record to take eighth place in the regular season conference race. For the entire campaign Sandia's record was 7-18, a good first-year performance.

The seven Matador victories were 56-50 over St. Mary, 61-50 over Rio Grande, 74-66 over Los Lunas, 52-35 over Menaul, 70-36 over St. Catherine's of Santa Fe, 59-54 over Aztec and 54-52 over Bernalillo.

At season's end Coach Torgerson's starting lineup was composed of three juniors and two sophomores, indicating that better things are ahead next season. The juniors were top scorers Mike Reed, Ronnie Stapes and Ronnie Locher; the sophomores, Steve Grant and Frank Harwi.

INDISPENSABLE ... THEIR WORK IS NEVER DONE

The dependable cafeteria staff worked long and hard hours, planning and preparing meals for students of Sandia High School. Special foods such as pastries, bread and desserts were prepared in the school kitchen. The work was continuous, balancing meals and budgets. The staff worked as a group, but everyone had individual duties. The many tasks were supervised by Mrs. Pinkie Stewart, who planned the menus and ordered the food.

Cafeteria Staff: Sofia Zamora, vegetables; Dorothy La Rosa, salad; Avis Anderson, salad; Jean Robson, bread; Marsha Davis, pastry; Pat Bauer, dishwashing, salad; Delia Padilla, meat; Pinkie Stewart, supervisor.

Custodians: Simon Santillanes, head custodian; Marcelino Sedillo, girls gymnasium; Carlos Zamora, grounds; Joe Marez, administration; Elbert Gill, night custodian; Tom Griego, boys gymnasium; not pictured: Madron Valerio, night custodian; Perfecto Moya, night watchman.

Busy! Busy! Busy!

Sweeping miles of halls, tons of mud and dirt, picking up truck-loads of trash, moving hundreds of desks, waxing floors.....work, work, work!

This was all part of an efficient program planned by the custodial staff to keep Sandia clean.

SOPHOMORES LOOK BACK ON FIRST YEAR

Officers: Sandy Schmitt, vice-president; Mary Belden, secretary; Bill Berry, president; Janet Button, treasurer.

There is only one direction ambitious sophomores can take, and that is UP.

In the fall many differences were evident between sophomores and juniors. However, in the spring one could see new dignity and leadership developing in the members of the class of '61. The students took on new responsibilities, unlike anything they had ever faced in junior high school, and helped Sandia High make a name across the state.

This was part of the sophomore year—now they look forward to the "junior" thrills that lie ahead.

JUNIORS PREPARE FOR PROM

Officers discuss budget before the *Scarlet and Blue Ball*. Officers: Tom Jones, president; Merry Lee Dean, vice-president; Karen Dorcas, secretary; Tom Gill, treasurer.

The sale of Bufferin hit an all-time high with members of the Junior Class as preparations got underway for the first *Scarlet and Blue Ball*. The dance, which honored school royalty, gave the final touch to the celebration. The headaches, however, were not in vain as the profits were used to present the **Junior-Senior Prom**.

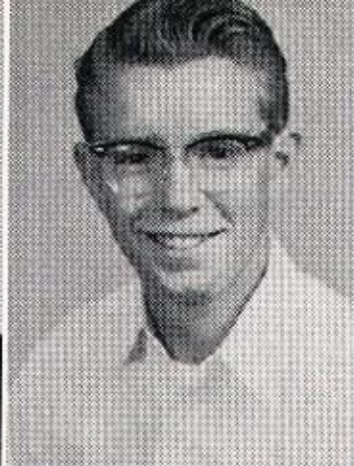

Although the memories of the junior year are still vivid, the juniors look forward with anticipation to the senior year.

Mrs. Jumper and Mr. Hale, sponsors, discuss plans for the Prom.

SENIORS BID FAREWELL TO SCHOOL, FRIENDS

Senior officers take a break in their busy schedule. Robin Jones, secretary; Eddie Evans, president; Bob Spooner, vice-president; Sandy Dorcas, treasurer.

Hurriedly taking final exams, excitedly planning for graduation and eagerly looking forward to the future, the 294 members of the first graduating class still have time to remember the events of the year.

The year-long campaign to gain senior privileges was rewarded with the senior parking lot and Senior Week. The Snowflake Fantasy owed its huge success to the hard-working seniors. Throughout the year, school traditions were created and established.

Twelve years of study will be climaxed at the Commencement Exercises June 4, when the well-deserved diplomas will be awarded.

Senior sponsors discuss plans for graduation. Miss Juric, Mr. Osner, Mrs. Stumpff.

Dignified senior forum practices parliamentary procedure.

AND SO, GOOD-BY...

A hectic phase ceases as the final pages of this yearbook are finished. Satisfied sighs fill the air as cries of "it's done" and "all through" are heard. Staff members feel rewarding self-satisfaction as peace and quiet settle climatically.

Without the cooperation of many people, our yearbook would have been incomplete. Our first round of thanks goes to our sponsor, **Miss Boughton**. Being our friend, helper and critic, Miss Boughton put in "overtime" again and again. Words can't express the appreciation we feel for her and the work she does.

Any annual would be incomplete without pictures. To the ever-ready, patient and understanding studio, **Rose-Rembrandt**, goes a large round of applause. Putting up with harrassed staff members, the studio assistants "came through," never letting us down. Also contributing pictures were the **Albuquerque Journal** and **Redman Photo Studio**.

To the students, faculty and administration of Sandia goes our heartiest gratitude for their cooperation, understanding and helpfulness. Club sponsors, officers and members are to be praised for using their time and energy working with and for the annual. The **Administrative Council** is to be acknowledged for the time and work they put in on the Crest and the special section, **Who's Who**.

Copy and headlines play a large role in the Sandia Crest. Taking time out from his busy schedule, **Roy Hall** found time to help write the copy for the sports section. "Thank you, Roy." Rewriting and rewriting was necessary in many places of the annual. **Miss Strand**, chairman of the English department, proved to be a very helpful advisor. "We're grateful, Miss Strand."

Club editor, **Nancy Steinkraus**, has done duty "above and beyond" her assignment. To her goes an

extra-big pat on the back. Assistant editors, **Nancy Cunningham**, **Frieda Rogers**, and **Jackie Stansell** deserves credit for being "always handy." Sometimes stuck with the "dirty" work these three lassies really deserve a special "thanks." **Julie Wiesen** did a tremendous job in putting together the almost endless sophomore pictures. With a measuring stick in hand, **Kathy White** did a great job in making the junior pictures fit together. The responsibility of putting together the senior pages was placed on **Rhonda Werner**. She did a fine job on the Class of '59.

Sports editor **Greg Cohen** found he was an isolated "male" in a group of schoming, devilish females. Greg deserves a lot of credit for succeeding in getting his pages out. Many problems arise when dealing with faculty and administration pages. **Betty Milhollin** and **Helen Wilcox** are to be patted on the back for a job "well done."

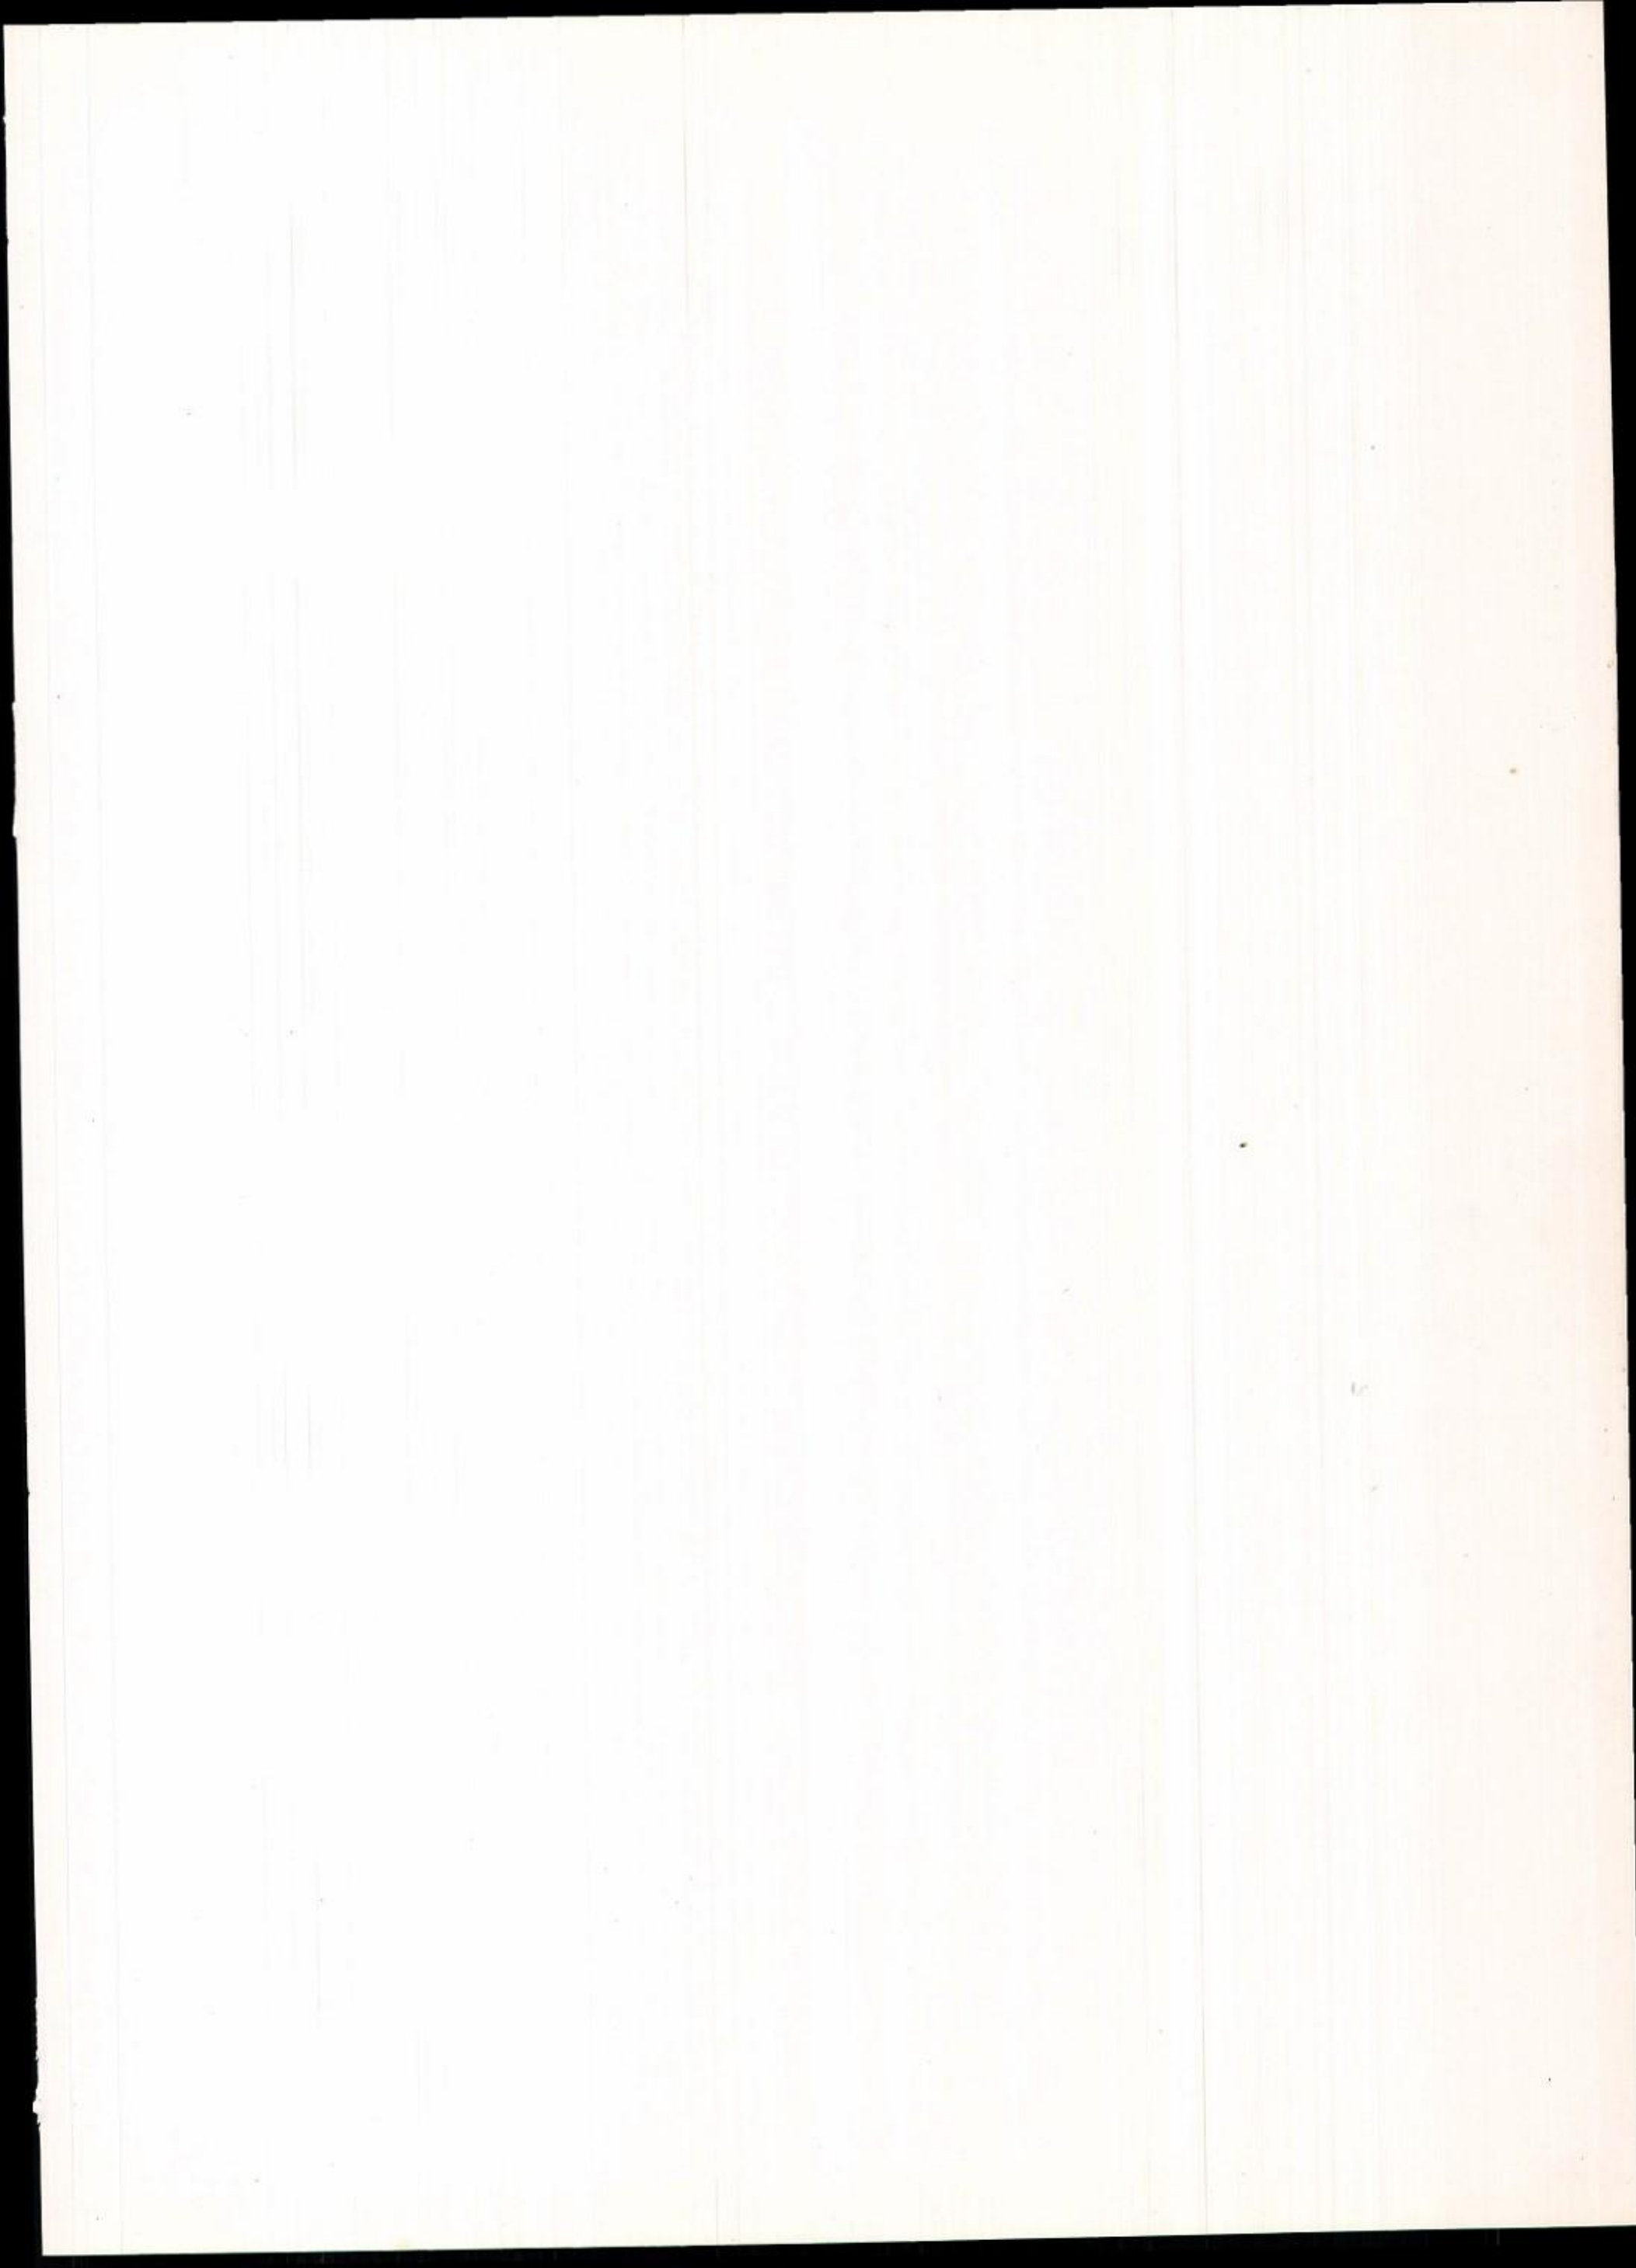

Seniors, if you are wondering how the annual staff obtained that "charming" baby picture of you, you can thank either **Maureen Epson** or **Betty Jarvies** who worked endlessly obtaining and keeping these pictures. And to the other members of the staff, **Mary Sheets**, **Beverly Richards**, **Carole Blazick**, **Charlotte Thompson**, **Mona Luker**, **Nickie Dominguez**, **Jimmy Lucero**, **Bill Edelman** and **Pat Carbone** go heartiest thanks.

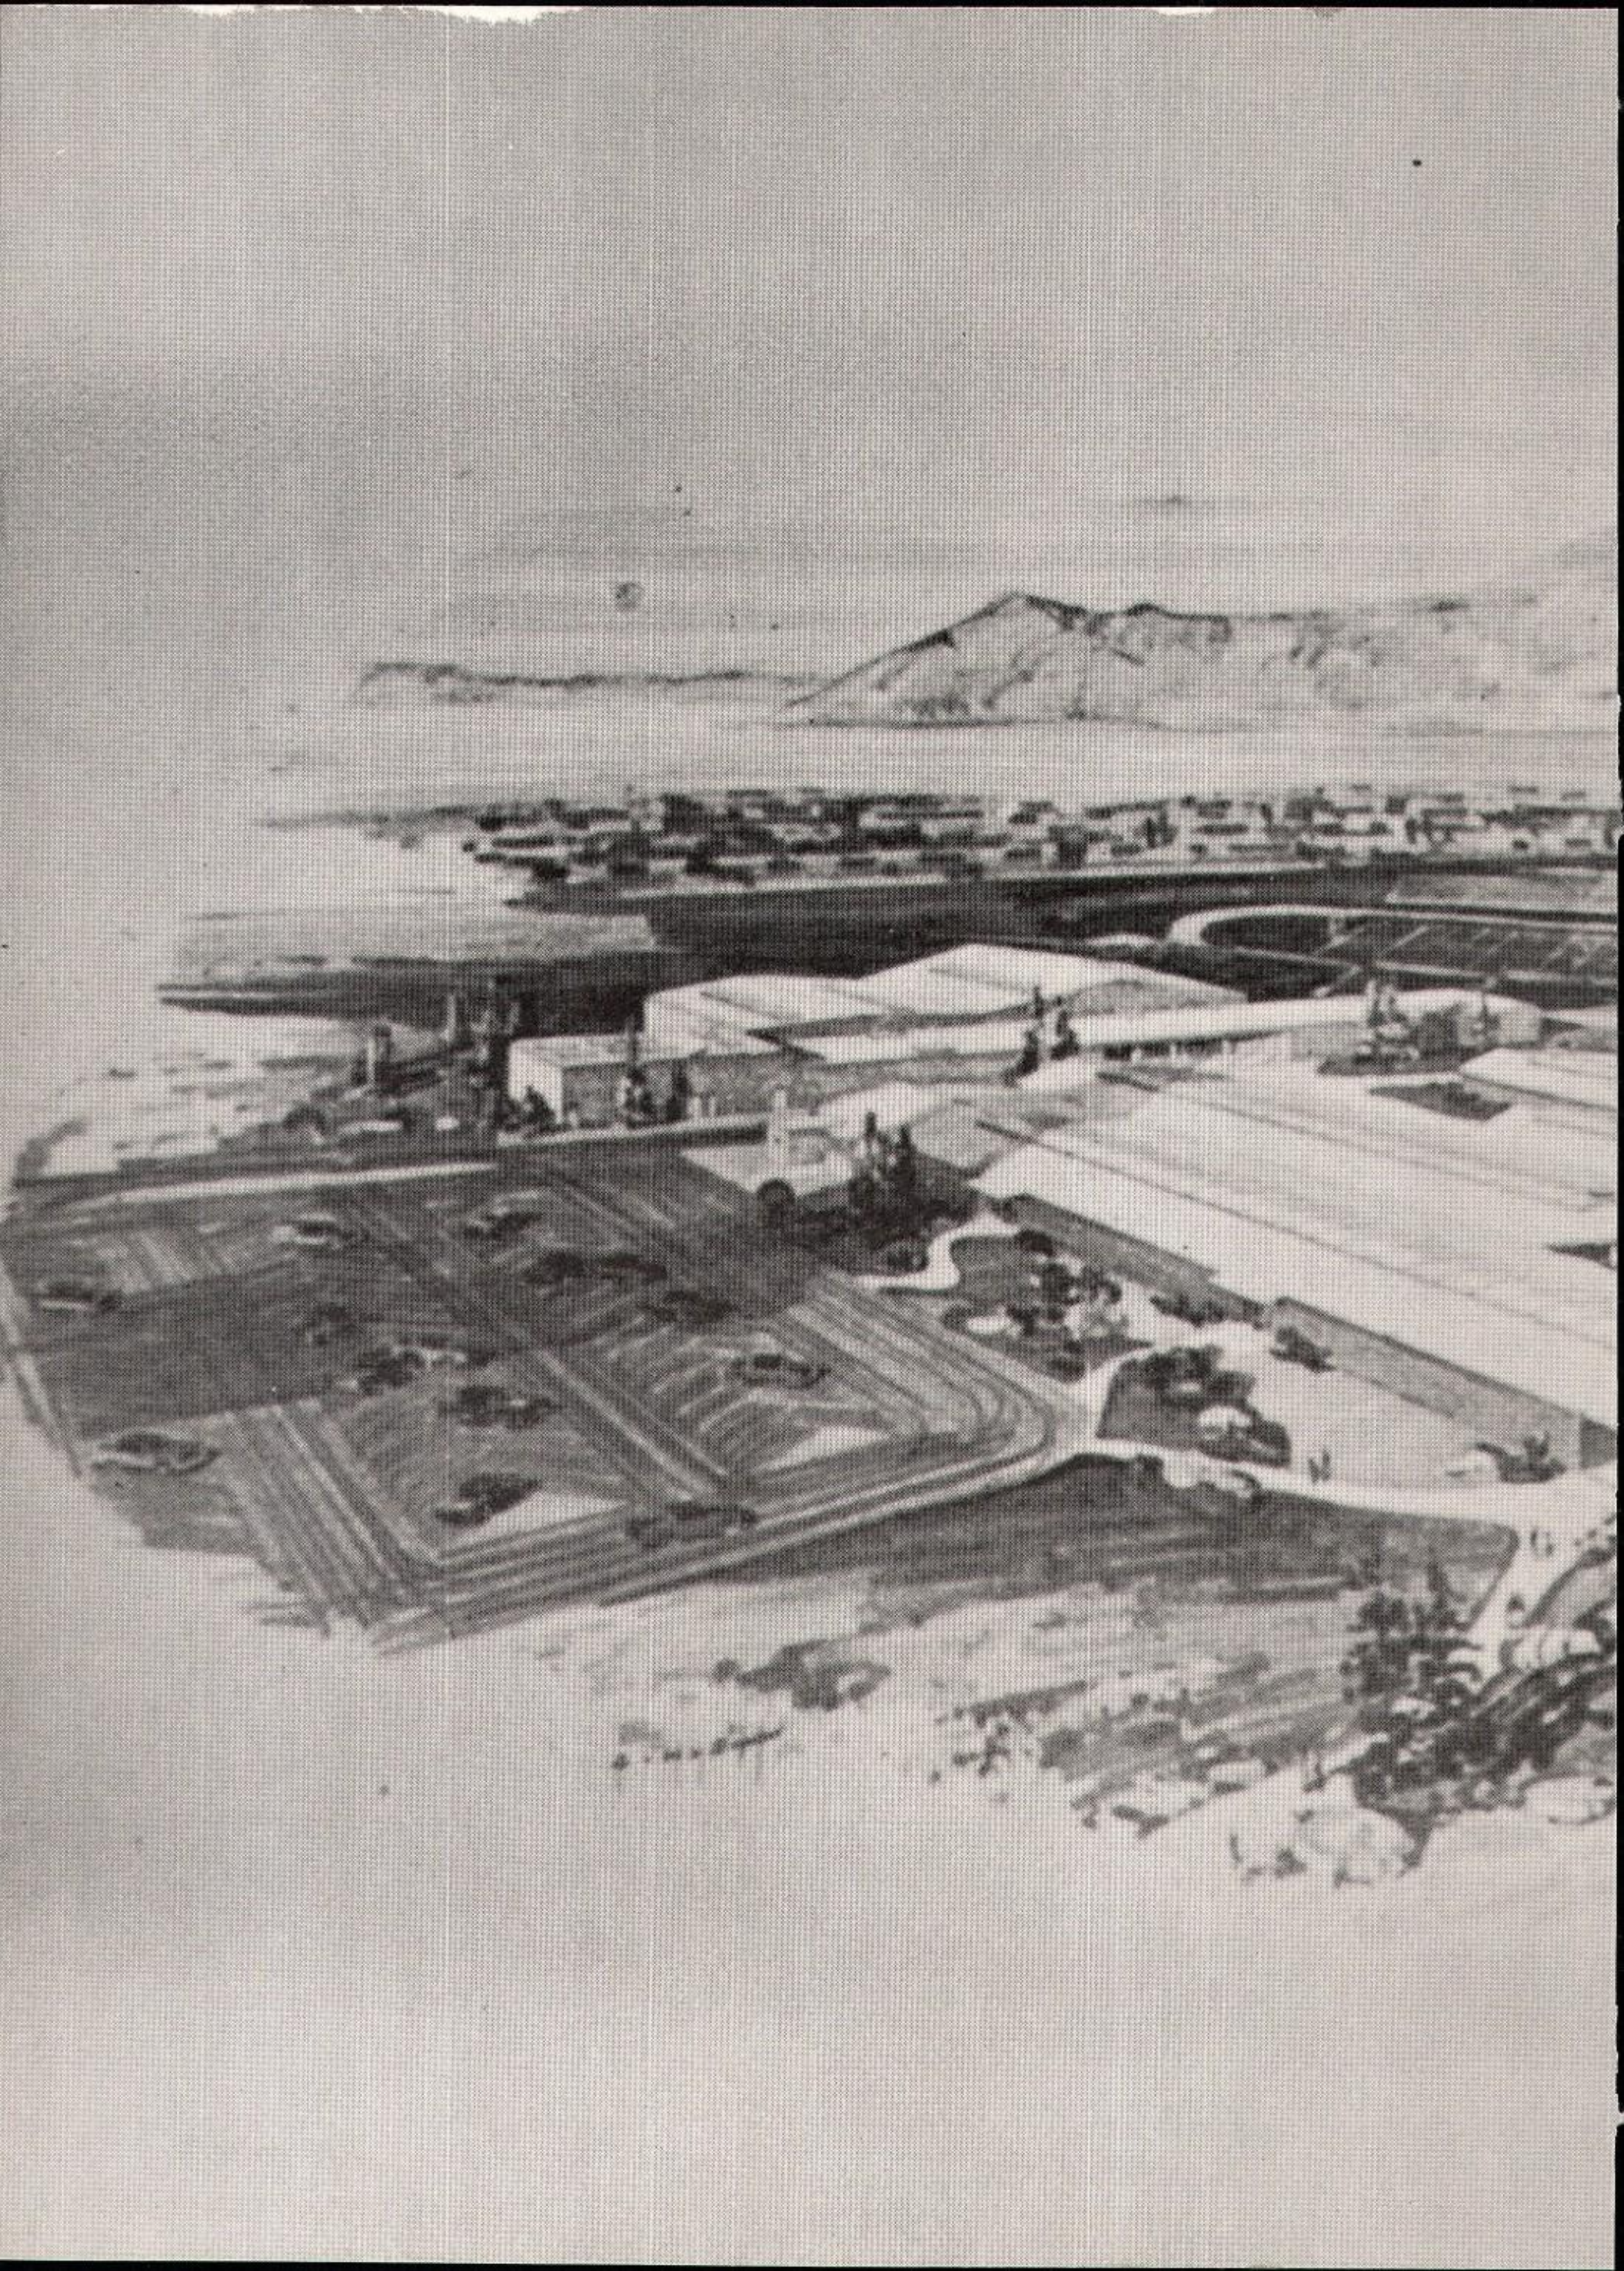

To the entire Crest staff go endless words of appreciation, thankfulness and gratitude for the hours of work that have been poured into this first Sandia Crest. We sincerely hope that you will remember, and enjoy the '59 Crest.

Sincerely,

Barbara Fawver
